<b>BACKYARD BUNDLE</b>				
The PERFECT PACKAGE whether you live in the city OR on a smaller country lot. We selected 5 varieties of trees and shrubs – 25 in all – designed to add beauty to your backyard while providing a source of food and habitat for wildlife.	10" to 20" Seedlings 5 <u>each</u> of Paper Birch, Highbush Cranberry, Red Osier Dogwood, Purple Lilac and Black Hills Spruce	\$48.00		

NATIVE PRAIRIE SEED MIXES				
Native Pollinator Prairie	Specially mix to attract bees, butterflies & hummingbirds. Plants grow up to 3 feet tall, require 8+ hours of sun and can tolerate moist to well-drained soils, but not flooding or prolonged saturation. Covers 1500 Sq. Ft.	\$85		
Native Shortgrass and Flower Prairie	Most species in this mix are 3 feet tall or less. Plants grow up to 3 feet tall, require 8+ hours of sun and can tolerate moist to well-drained soils, but not flooding or prolonged saturation. Covers 5,000 Sq. Ft.	\$90		
Native Tallgrass and Flower Prairie	A mix of grasses and wildflowers that will grow 3-6 feet tall. Species require 8+ hours of sun and can grow in darker and clay soil ranging from moist to well-drained but cannot tolerate prolonged wet, flooded or dry sandy conditions. Covers 5,000 Sq.	\$90		
Native Tallgrass Prairie (Grasses only)	These native grasses are 6 feet or taller. They tolerate clay soils ranging from moist to well-drained but cannot tolerate prolonged wet, flooded or dry sandy conditions. Covers 5,000 Sq. Ft.	\$50		
Native Septic Mix	Plants in this mix were chosen specifically for septic systems as they can grow on poor soil and their root systems are not long enough to interfere with your drain field. Covers 2500 Sq. Ft.	\$85		
Bee Lawn Mix	A low-maintenance lawn alternative, this contains a mix of fescues and flowers specifically designed to provide habitat for the endangered Rusty Patch Bumble Bee and other essential pollinators. Covers 1,000 Sq. Ft.	\$50		
Monarch Mix	This smaller seed packet contains 5 species of native flowers and 1 species of native grass, all of which are host or nectar plants for the monarch butterfly. Covers 100 sq. ft	\$18		
Pollinator Mix	This smaller seed packet contains 27 species of native flowers and 5 species of native grasses. These plants were specifically chosen for food and habitat for pollinators. Covers 100 sq. ft.	\$18		
Songbird Mix	This smaller seed packet was created based on recommendations from the Audubon Society to provide forage and habitat for MN Native birds. Best for Dry to Mesic soils. Covers 100 Sq. Ft.	\$18		
OTHER ITEMS				
Rain Barrel	55 gallon	\$90.00		
Marking Flags	100/bundle	\$15.00		
Tree Mats	25/bundle	\$30.00

GRAND TOTAL				

#### IMPORTANT TREE PROGRAM INFORMATION

Pre-paid orders will be accepted on a first-come, first-served basis and will be available for pickup on **Friday, April 30<sup>th</sup>, 2021**. Payment must be submitted with each order. **Please make checks payable to Scott SWCD**. Orders may also be placed online with debit or credit card. Prices include Minnesota sales tax. No cancellations will be allowed after 30 days of your original order date or after April 1<sup>st</sup>, 2021. Please send your order and payment to:

**SCOTT SWCD TREE PROGRAM, 7151 West 190th Street, Suite 125 Jordan, MN 55352**

By signing below, I acknowledge the SWCD cannot be responsible for the condition in which stock arrives or its condition after scheduled pickup dates; the SWCD reserves the right to substitute damaged or unsuitable stock as necessary. I understand there is a \$10/day charge for seedlings not picked up on scheduled pick-up days. I further agree the trees and seed I purchase will be planted for the purpose of reforestation, water quality, natural landscaping, windbreaks and/or wildlife habitat improvement. The trees may not at any time be resold, given away or removed with roots attached.
